Title: An Ordinance Establishing the area Service "C" Road Classification in Clarke County, IA.

#### Section 1. **PURPOSE**

The purpose of this ordinance is to classify certain roads on the area service systems in the County as Area Service "C" roads as to provide for a reduced level of maintenance effort and restricted access, pursuant to Iowa Code Section 309.57 (2007).

#### Section 2. **DEFINITIONS**

For use in this ordinance, certain terms or words used herein shall be defined as follows:

- B. County: shall mean Clarke County.

#### Section 3. **HOW ESTABLISHED**

A. RESOLUTION: Roads may only be classified as Area Service "C" by resolution of the Board upon petition signed by all landowners adjoining the road. The resolution shall specify the level of maintenance effort and the persons who will have access rights to the road. The resolution shall only allow access to the road to the owner, lessee, or person in lawful possession of any adjoining land, or the agent or employee of the owner, lessee, or person in lawful possession, to the agent or employee of any public utility, or to any peace officer, magistrate, or public employee whose duty it is to supervise the use or perform maintenance of the road.

B. NOTICE OF ACTION: Before the Board may take action on a petition to establish an Area Service "C" road, a notice of the proposed action, including the location of the Area Service "C" road and the time and place of the meeting at which the Board proposes to take action on the petition, shall be published as provided in Iowa Code Section 331.305 (2007).

C. BOARD ACTION: At the meeting, the Board shall receive oral or written objections from any resident or property owner of the County. #### Section 4. **ACCESS**

Access to any Area Service "C" road shall be restricted by means of a gate or other barrier, as determined by the County Engineer. *The gate shall be purchased and installed and maintained by the adjoining landowners. If not so maintained, the County may remove the gate.*

#### Section 5. **SIGNS**

Area Service "C" roads shall have signs conforming to the Iowa State Sign Manual installed and maintained by the County at all access points to the Area Service "C" roads from other public roads, to warn the public they are entering a section of road which has a lesser level of maintenance effort than other public roads, and to warn the public that access is limited.

Section 6. **TRESPASS**

Entering or remaining upon an Area Service "C" classification road without justification after being notified or requested to abstain from entering or to remove or vacate the road by any person lawfully allowed access shall be a trespass as defined in Iowa Code Section 716.7 (2007).

Section 7. **RECLASSIFICATION**

A road with an Area Service "C" classification shall retain the classification until such time as a petition for reclassification is submitted to the Board. The petition shall be signed by one or more adjoining landowners. The Board shall approve or deny the request for reclassification within 60 days of receipt of the petition.
