Larry Keller asked what the purpose of this amendment was. Supervisor Robins suggested that they can go over each item and that the reason for each revenue and expense is listed at the bottom of the Amendment, which copies were passed out to the public.

It was then questioned as to why Public Health had to do an amendment and whether it was presented to the Board of Health first. Supervisor Taylor stated that it was and went over why one was needed. It was also stated that the public can come to a Board of Health meeting as it is an open meeting.
